

Memorandum

Date: October 5, 2016

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

Agenda Item No. 8(F)(6)

From: Carlos A. Gimenez
Mayor

Subject: Request for Additional Time and Expenditure Authority to Prequalification Pool No. 5800-5/17-4, Rental of Trailers, Trucks, and Vans

This item was amended at the September 12, 2016 Strategic Planning and Government Operations Committee to disallow the use of People's Transportation Plan funding for this contract.

Recommendation

It is recommended that the Board of County Commissioners (Board) authorize increased expenditure authority of \$459,600 to *Prequalification Pool No. 5800-5/17-4, Rental of Trailers, Trucks, and Vans*. This pool was established on January 1, 2008 for a four-year term, with five (5) one-year option to renew terms to provide multiple Miami-Dade County departments with rental trailers, trucks, and vans, as needed. The requested increase in spending authority will support the operational needs of the Elections, Corrections and Rehabilitation, and Transportation and Public Works departments. More specifically, the departments will apply the additional funds as follows:

- (1) The Elections Department is requesting an increase of \$204,600 to rent trucks to transport voting equipment to precincts during the 2016 presidential election cycle as well as municipal elections.
- (2) The Corrections and Rehabilitation Department is requesting additional funds of \$24,000 to rent trucks to satisfy its fleet demands. The department intends to purchase 51 new vehicles later this year to replace retired fleet. In the interim, the department will rely on this pool to rent trucks and other vehicles for continuity of services.
- (3) The Department of Transportation and Public Works requires \$231,000 in additional funds. The modification will cover the amount needed for the department's daily operations, special projects, and short-term rentals while the department plans for the procurement of future permanent support vehicles. The department's Structural Inspections and Analysis Division, Track and Guideway Division, and Facilities Maintenance Division use this contract to rent vans to conduct inspections and repairs at rail stations, track and guideway rail beds, and at departmental facilities.

Scope

The impact of this item is countywide in nature.

Fiscal Impact/Funding Source

This pool is currently in its fourth option to renew term, which expires on December 31, 2016, and has an existing allocation of \$794,400. If approved, this modification would authorize additional expenditure authority of \$459,600, increasing the total pool value to an estimated \$1,254,000.
